Peach Girl
Change of Heart

Momo and Kiley have a big-time bond, but other people are trying their hardest to break it. A crafty chick named Morika is after Kiley (even though—hello!—he has a girlfriend), and will seemingly do or say anything to get him. Meanwhile, Kiley's brother, Ryo, tries to lure Momo to a party in an attempt to seduce her by appealing to her sensitive side. (What kind of lowlife would try to steal his own brother's girlfriend?!) With all of these temptations around, will Momo and Kiley stay true to each other or grow apart?

KILEY OKAYASU

MOMO vs SAE:
Death match, the whole story!!

Momo and Toji were happily in love. But Sae, who always wants what Momo has, plotted to steal Toji away. She blackmailed Toji into breaking up with Momo and dating her. Momo eventually got over the breakup and began dating Kiley. She notices that Kiley's cell phone holder is tattered, and decided to make him a new one. But into the picture comes Kiley's ex-girlfriend, Morika! Although Kiley isn't interested in getting back together with Morika, Momo spots the two of them in a suspicious conversation. When she hears Kiley agree to a rendezvous at a hotel, she is devastated.

Hello, Men's Mon Magazine

This year we got a lot of great girls

I'm sorry, but we're in the middle of shooting candidates for the next girlfriend

You're going to keep modeling right? Have you found a new agent yet?

Well, thank you

I'll miss you But good luck

Oh

Thanks for everything last year, Sae.

No problem

Sorry I gotta go. Maybe we'll work together someday.

Mr Honda

Well I haven't found one up to my standards yet.

Mr Honda!

You still want to model?

Then you should stop talking about your standards and just try to sell yourself

Modeling is just a stop on the way there. I'm going for something bigger!

It's tradition that when they graduate, they become stars.

You don't know anything about Men's Non Girls, do you?

But some ones scouted you.

Stop following me

I feel like I'm being watched, and hate it!!

Well

If I pick a nice place and it's somewhere romantic, then it's okay?

Then how about we take a weekend trip?! Somewhere romantic, just the two of us?

This is no time to hesitate!

All right, then I'll plan it out!

Okay!

What's the matter with the coffee cups?

How about if it was a merry-go-round?

It doesn't make a difference!

Yes.

We found a bug right before we were supposed to deliver so it was crazy

I guess it was my fault since I was busy with work and I haven't had a chance to call her

Morika was feeling insecure lately

Thanks

Oh could you drop me off here?

She had some debt problems so I bought it from her

Oh, you noticed?

Isn't this Morika's car?

Sorry about the other day.

Oh it's alright.

I was about to lose it.

That Sae

That Sae.

If you have time to think about revenge, just think about making yourself happy

But I wouldn't do anything if I were you.

You'll only regret it

Well, some people just don't mix

Is she your friend?

No, my worst enemy straight up

If you didn't come by might have completely lost it back there

Thanks for the lift.

That's what they all think, at first

She seemed like a quiet girl

Worst enemy?

I'm wasting my time and my life worrying about Sae.

He's right.

You're right

A million times?

If I could put a curse on her I'd kill her a million times.

She put me through so much he...

What did he say

about Morika and me?

That they dated?

"He stole her from me!"

It's all right. Just tell me

Uh well

Do you have some time?

Yes?

Momo..?

Can call you that?

By the way

I should be happy.

That's the best thing for me...

about Kiley

I wonder if I could talk with you

about Kiley and Morika?

Did you know

And when Kiley started skipping school in junior high

What?

Isn't that what happened?

I thought so.

I asked Morika to tutor him

And then they got involved.

Kiley was serious

Morika just wanted a boy toy

When we found out, we fired her

But, it set Kiley off...

Maybe I should tell you the truth

Well

was dating Morika first.

could never tell him

he would be so hurt.

if he found out that Morika was never serious about him.

I guess she liked the idea of two brothers fighting over her

...and watching the results

Morika seemed to like paying me off Kiley

You'll always be the bad guy

But Kiley thinks you stole Morika from him.

I don't blame him. He never knew we were dating

That bitch!!

I'll kill her!

she dumped Kiley like he was nothing.

But when I threatened to break up with her,

but Kiley couldn't let it go

Morika and I got back to normal

So would you please keep this a secret?

We never really got along anyway

It's all right

Why didn't you tell him the truth?

You've changed him

If you want to know why I'm telling you all this

Kiley's been really happy lately

Please take care of Kiley

Momo

I didn't know why at first...

He used to always ignore me.

But these days he talks to me every so often.

but now I know

It's because he has you.

How about the ocean? Or maybe the mountains?

Summer Vacations

Don't let him fool you Momo!

Oh come on

He's a good talker!

Isn't he a good brother?

He asked me to take care of you.

They both asked the same thing.

He's all talk.

You don't know what he's really like.

What? U

Maybe they just fell for him?

But he's such a great guy.

It was really BAD

He stole every girl went out with in junior high

After you left, I ran into Sae.

And he came driving by just in time.

You saw Ryo?

Did he try to take you to a hotel?!

He didn't do anything to you?!

You got in the car with him?!

Did he say anything about me?

We just had tea together!

He's not you.

Don't you believe me, Momo?

He's just like Sae.

He just wants to take what other people have.

And you're going to be there with me?

Um. Let me think about it.

But if Kiley gets mad, I'll only get to hang out with her for a little bit.

What should I do? It would really be nice to get some money...

She's no longer alive

I'm flattered. What was she like?

Really?

She just disappeared from my life one day

I never knew why Then, got a letter two months later saying she died

It's not like we fell out of love and broke up

PEACH CLUB! PEACH CLUB!

Hi! It's your editors at TOKYOPOP! We would love to hear from you about the future of Momo, Kiley, Sae, Toji, and all the other characters in Peach Girl: Change of Heart!

Right now, Momo has more than that evil Sae to worry about! Peach Girl fans want to know: If it weren't for all the other people nosing into Momo and Kiley's business, would the couple be in perfect lovey-dovey mode 24/7? And what about Toji, Momo's old flame? If Sae gets tired of Toji will Momo "trade" Kiley for Toji? If Kiley's complicated romantic past is too much for her to deal with, it just might happen...

We know you have predictions for the future of Momo. So write us! Tell us what you think is going to happen! We love your opinions and drawings!
Send us lots of letters to: Peach Girl Editors, 5900 Wilshire Blvd. Suite 2000, Los Angeles, CA 90036 or just e-mail@tokyopop.com. Can't wait to read your mail!

What?

What are you talking about?!

Just started feeling nostalgic looking at her

I didn't think about your feelings.

I'm sorry

How dare you touch my girl!

Stop it, Kley

That's not it!

You're always doing this!

You're dead!!

Come with me.

I'll explain

ボソ ボソ ボソ..
whisper whisper

Come on

Tell me here!!

What?

Stop it!!

You're making a mistake!

Kley

I see

So you came to the party, too?

yes.

Uh

What if Monika decided to switch to Kiley now that she's dumped by Ryo ?

はっ

"You, too?" What does that mean?

And what's Kiley doing here ?

Go to hell!!

!

カツ…

にこ

Didn't he tel you?

What did you and Ryo ta k about?

Momc

but you can t listen to him

I don t know how he got you out here

You shouldn t go near h m ever aga n!

You just can't ta k to h.m

Hun?

Let's go!

ハァ？

We talked on the phone last night.

Huh?

Date?

What are you talking about?

and now you're here with Monika

You blew off our date

I don't need to be put on a leash by my boyfriend!

Excuse me?

I can talk to anyone I want.

ﾍｯ

Don't lie! You said you were looking forward to it!

I never talked to you! I took a shower and went to bed!

I don't know what you're talking about

He pretended to be me on the phone

It was Ryo!

!!

Oh I know!

I don't believe you.

Ryo was talking about his dead girlfriend!

I know it didn't look good that was my fault.

But I was never being unfaithful

Besides, what right do you have to give me shit?

Huh?

Dead girlfriend?

But you're the one who doesn't believe

You believe him but you don't believe me. ?

Momo

There's nothing between me and your brother

Then don't tell me who not to talk to.

I believe you Momo!

You're the only one who thinks that!

Why would he do that?

Because he just wants to sleep with you.

You're blaming him

He's deceiving you Momo

I really don't know anything about a date

You don't know how he feels

No way

He would never do that

I kept telling you to watch out for him!

Why can't you understand that?!

Forget it.

What do you mean, forget it?

Wha ?

Kiley!!

I only have you...

Why...?

I don't want to fight...

Ryo told me not to tell him

"If he found out that Morika was never serious about him, he would be so hurt..."

But...

I should tell him

I have to tell him that Ryo and Morika were dating before he met her...

This is the only way I can make him understand.

Okay

better tell Ryo first, though

That Ryo didn't steal her from him

That's where their troubles began.

He needs to understand that his brother cares for him.

I'm the one who saved you!!

I don't care if you're grateful or not

That... That bitch...!

but I'm still haunted by that memory

I somehow got away

Sae...!!

Yes.

Sae right?

She's stolen all of my boyfriends.

It's true.

Momo is such a slut.

You shouldn't say bad things about people so freely

Can you believe it?

I thought she was my best friend

!!?

...and tried to have me raped!

But the worst time was when she lured me to a hotel...

Bye—

Goodbye!!

!!

In fact, since you're going through the trouble of talking so much, I'd be more suspicious of YOU.

Besides, I don't think Momo's that kind of girl

I'm sorry I was

Were you listening?

Momo

Uh...

I usualy don't say these kinds of things.

But since Momo seemed like she was after you

ホッ

then I guess there's no choice.

If that's the case

Then I'll go talk to him!

Is it alright if I tell him the truth?

He walked away from you?

Oh

about that research thing...

Um

I want to respect his feelings, too, so...

I know Kiley won't like it

If I have to spend a week with you

I'm sorry, but I'm going to have to turn it down

I can see why you can't ner your enemy.

He just seems to understand me so well

I feel so comfortable.

What?

Oh.

Uh he kind of stormed off

Hm?

Where's Kiley?

He's Kiley's brother, after a

I'm going home ;;
I'm not in the mood
So what about the party?
Oh, there you are.
You haven't eaten yet, right?
Oh, c'mon Just stay for ten minutes. Aren't you hungry?
Hm.
See? Isn't this nice?
If I was Kiley, I probably wouldn't like it, either
Don't worry
I'm sorry
I see. That's too bad.
No, you shouldn't.
I should apologize
I'm sorry
I wasn't thinking
Of course
It's the least I can do
Well, then in exchange,
I wonder if you woulan't mind filling out a questionnaire for me?

Ryo s the manager here

I became a member because of Ryo

There s a seminar after this.

They l expla n the details.

Be a mem ber?

And you can travel for free!

If you become a member, you can always come to these parties

Momo wi be there, too.

It doesn t cost any money You have time anyway right?

Hold on

You said just had to attend.

Wel she was with Ryo wasn t she?

Why Momo ?

Here we are

カリ
チャッ

Key?

カリ
チャッ

So, what were you and Ryo talking about?

Where are we going?

To the meeting room.

We have questionnaires for all the party goers here

So, what kind of party is this?

Is this for people in the video game industry?

No it's more like marketing

This is weird

What is your sex
1 Male 2 Female

What is your age
1 Under 20 2 20

How much are your yearly earnings
1 Under 8 000 dollars 2 9 000

Do you currently have any debt
1 Yes 2 No

Are you interested in new business opportunities
1 Yes 2 No

What is this?

Okay

Just fill this out.

I don't know what this has to do with games.

!!

Maybe you'd like to fill one out, too?

"How much are your yearly earnings?"

knew a guy like that.

And he was always getting in trouble with people.

He also didn't have any common sense or morals

I'm not the only one with an obsessed stalker

I thought she was just one of a kind

I see

Yes.

So there are other people like Sae?

She was probably curious and followed us

She's a strange one.

What?

Was someone there?

?

I think it was Sae

Well, you could say that

Is she the type who has to be the center of attention?

I thought so

Wow

How did you know all that?!

And she probably lies and uses people, and is arrogant.

And she probably gets mad when people criticize her

ガーン!

see.

If you want it to stop, then you just have to get away from her

How can I stop her from treating me so badly?

How do you deal with people like that?

The trouble is she thinks she's right, so she never understands how badly she hurts people.

If she doesn't wake up to common sense and decide to turn over a new leaf, probably nothing

I'll try leave it to me

What a guy!

Really?

I'm used to people like her

Maybe I should talk to her?

So she just keeps repeating the same mistakes.

To girls like her, people are just stepping stones.

I wish I had met him sooner

Something

all this

You're really lovely

What ?!

It'd be a shame letting Kirey have all the fun

He just wants to sleep with you"

This can't be happening!
